# About Datum

Datum Filing Systems, Inc has been designing and manufacturing filing, storage and office furniture solutions since 1968. Based in Emigsville, Pennsylvania, Datum is a family-owned and operated company that offers a full line of products designed to meet virtually any office furnishing need or storage application.

Dealers across America offer Datum products in addition to planning, moving and installation services. In-stock distributors coast to coast offer prompt delivery.

Our environment has become a subject of increasing importance in the world. It's the responsibility of every person and every enterprise to set a standard for sustainability with better processes and daily operations.

One important display of green-mindedness is our use of powder coating. This system of colorizing our products emits minimal contaminants into the Earth's fragile atmosphere.

Datum currently has standards in place to minimize wasted raw materials. All scrap metal is recycled along with many office supplies. Furthermore, most Datum printed materials are produced on recycled paper.

As more options for environmentally-friendly products and services become available, Datum promises to expand it's dedication to a greener way of conducting business for all our futures.

### Wardrobes

Classroom Wardrobes feature sturdy all steel frames, legs, shelves and double pronged Butterfly hooks. Hook shelf is height adjustable. Order with or without panels. Semi-Concealed Wardrobes are designed for executive offices, conference rooms and reception areas. Add one of these to tidy up any office. Hangers are included.

### VelociRak & Free Standing Racks

New to Rigid Rak, the folding VelociRak offers a contemporary option for the portable rack. VelociRak will handle temporary or permanent coat room needs. When your guests have left, simply fold it, roll it, and store it. Featuring straight clean lines, our Free Standing Racks provide versatility for any standard or custom garment storage need.

### Solid Wood Racks

Classic and Deluxe solid wood wall racks compliment the most distinctive decor. Hand buffed double lacquer finish and concealed wall mounts are our hallmark and make these racks especially elegant. Specify maple, walnut, natural oak, medium oak or dark red mahogany. Shelf tubing is powder coated steel or chrome. Hanger pole is chrome. Matching hangers are available. We suggest four hangers per foot.

### Tubular Steel Wall Racks

Rigid Rak tubular steel wall racks offer unique designs with clean, trim, contemporary lines. These racks are built to last. Hanger style racks have 1" diameter tubular steel hanger poles finished in bright commercial nickel chrome. We suggest four hangers per foot. Hook style racks include double prong Butterfly hooks. Available in any length, Rigid Rak wall racks customize any space.

### Channel Mounted Wall Racks

Originally designed for use in elementary schools, Rigid Rak's channel-mounted systems are the perfect solution for any application where shelf height needs to be flexible. Formed steel mounting channels with positive clamp inserts provide the convenience of adjustable shelf height. Mounting brackets are manufactured from 1-1/8" square steel tubing with 3/4" round tubular steel shelf rails. Available with chrome hanger pole or Butterfly hooks.

### Wooden Panels

Rigid Rak wooden panels increase the beauty of your hook panel system. The synergy between the raw materials of wood and metal collide on your custom-designed Rigid Rak hook panel product.

### Keep on Edge

All wooden panels have the option of three edges that increase the level of customization for your hook panel product.

### Wood Finishes

Datum's wood finish selection helps you custom-fit the right style.

### Hooks

Datum's selection of hooks to accompany our hook panels are designed to give you unlimited aesthetic options for your room. You can pick from multiple finishes to match our selection of wooden panels so your Rigid Rak matches your decor perfectly. Below are just a couple of our hooks from which you may choose and our selection of anodized finishes.
